Introduction

On the 11th November 2016 Members of the UK Youth Parliament (UKYP) will come together to debate and decide at the UKYP House of Commons sitting the most important issues to campaign on for the year ahead. The sitting will mark the launch of Parliament Week. The issues they will debate were decided upon via the 'Make Your Mark' public vote for 11 to 18 year olds across the United Kingdom based on a shortlist of topics voted upon by Members of the Youth Parliament from their manifesto.

This report details the results of 'Make Your Mark' campaign. The UK Youth Parliament is managed by the British Youth Council, a youth-led charity which aims to empower young people across the UK to have a say and be heard.

Every year the UK Youth Parliament holds a UK-wide ballot called 'Make Your Mark', where all young people can vote on what they think Members of the Youth Parliament should campaign on for the year ahead.

Note FINAL NUMBERS: Whilst every effort is made to verify the accuracy of voting returns at the time of going to print, there are some late returns, spoilt ballots and unallocated votes that have not been recorded in this first edition of the report. So the final total is subject to change (increase) and an update circulated later in the year.

Top Five issues

1. A Curriculum to prepare us for life

Schools should cover topics including finance, sex and relationships and politics in the curriculum.

2. Tackling racism and religious discrimination, particularly against people who are Muslim or Jewish

All young people should work together to combat racism and other forms of discrimination, and ensure we know the dangers of such hatred

3. Transport

Make public transport cheaper, better and accessible for all.

4. Votes at 16

Give 16 and 17 year olds the right to vote in all elections/referendums.

5. Stop cuts that affect the NHS

Funding that affects the NHS shouldn't be cut. We must keep up vital services to protect young people.
