Introduction

On the 13th November 2015 Members of the UK Youth Parliament (UKYP) will come together to debate and decide at the UKYP House of Commons sitting the most important issues to campaign on for the year ahead. The sitting will mark the launch of Parliament Week. The issues they will debate were decided upon via the 'Make Your Mark' public vote for 11 to 18 year olds across the United Kingdom based on a shortlist of topics voted upon by Members of the Youth Parliament from their manifesto.

This report details the results of 'Make Your Mark' campaign which this year was again supported by the National Citizen Service (www.ncsyes.co.uk). The UK Youth Parliament is managed by the British Youth Council, a youth-led charity which aims to empower young people across the UK to have a say and be heard.

Every year the UK Youth Parliament holds a UK-wide ballot called 'Make Your Mark', where all young people can vote on what they think Members of the Youth Parliament should campaign on for the year ahead.

Note FINAL NUMBERS: Whilst every effort is made to verify the accuracy of voting returns at the time of going to print, there are some late returns, spoilt ballots and unallocated votes that have not been recorded in this first edition of the report. So the final total is subject to change (increase) and an update circulated later in the year.
